Amendments to the Specification:

Please replace the paragraph at page 4, lines 37-39 with the following amended paragraphs:

Figure 2<u>A</u> shows the alignment of amino-acid sequence and nucleotide sequence of ULBP-2 (SEQ ID NO: 10) and RL5 (SEQ ID NO: 2). The shadowed area in (B) indicates the signal peptide, and the underlined area indicates the transmembrane region of ULBP-2.

Figure 2B shows the alignment of nucleotide sequence of ULBP-2 (SEQ ID NO: 11) and RL5 (SEQ ID NO: 12).

Please replace the paragraph at page 4, line 40 with the following amended paragraph:

Figure 3-A 3A and 3B show <u>hydrophobicity profiles of ULBP-2 and RL5 and ULBP-2</u> in the analysis of their transmembrane <u>regions</u>, <u>respectively region of ULBP-2 and RL5</u>.

Please replace the paragraph at page 5, line 9 with the following amended paragraphs:

Figure 7 show the <u>mRNA</u> expression spectrums of RL5 in various tumor samples.
